

Polish Speaker Sedentary Sales Agent

—

MediaDev, an International IT Marketing Company, is currently looking to expand its existing team of sedentary sales agents. We specialize in B2B lead generation marketing campaigns for the industry's top players (Microsoft, SAP, IBM, HP...) by promoting IT solutions (ERP, CRM, vertical solutions and other software applications).

We are looking for someone based in Europe to work out of a home office (full-time or part time). This person would be responsible for:

- Carrying out telemarketing campaigns

- Coordinating with headquarters office

Required job skills include:

- Good communication skills (both written and spoken) in English and Polish
- Ability to work individually and as part of a team
- Good command of MS Office (Word, Excel, PowerPoint) and Internet research a MUST
- General understanding of IT infrastructure a plus
- Prior sales and management experience recommended.

Attractive salary package based on experience.

We are looking for a highly motivated sales agent who is ready to develop his/her career with a growing and dynamic company.

For more information please contact us at: contact@mediadev.com

Offre d'emploi: Télé-opérateur de langue polonaise
