

Bonjour,

Nous vous prions de bien vouloir trouver ci-joint, notre offre de stage à destination des étudiants polonnais en France. Nous envisageons d'accueillir un étudiant dès janvier 2012 pour une durée de 6 mois minimum avec une possibilité d'embauche par la suite.

**International research associate
Pre-employment internship**

Copers International Search, an executive head-hunting firm, based in Paris, Warsaw, Moscow and Shanghai, recruits for international, Executive Managers and Members of the Board for top level companies.

Our clients include: Auchan, BNP Paribas, Cetelem, Faurecia, Leroy Merlin, Renault, Reckwitt Benckiser, Sodexo...

In order to strengthen our International Research Team, we are offering a **4 to 6 months period of pre-employment internship** to join our developing group and acquire experience as a Research Associate.

Following your training, you will be fully autonomous for local and international missions. You will work in close collaboration with a Consultant regarding:

-

Definition of customer's needs

-

Research strategy

-

Identification and direct approach of potential candidates

-

Evaluation interviews and presentation of candidate short-list

We have a regular programme of evaluation, which allows us to propose possibilities of evolution adapted to the expectations and capacities of everyone.

Ideal candidate :

-

University/ Business School Graduate

-

Polish mother tongue, fluent French, English a must

-

Open-minded, adaptable, dedicated and proactive

Practical informations :

-

Place of internship : Paris 16th

To join our team, please send your application to :

Céline Belhimeur – Copers – 55, avenue Bugeaud – 75116 Paris – **01.53.65.66.55**
