Grupa Incjatyw Naukowych AEP (GINSAEP) / The **Research Initiative Group** of the Polish Students and Alumni Association is pleased to invite you to their first
Scientific Beer Session.

Hi all,

This willl be the first of a series of "Scientific Beer Sessions" (Scientists' and Science Lovers' meetings). We are welcoming people from various disciplines. Let's discover our hobbies, adventures and learn something new from each other.

Tonight: « Travelling Robot Problem: A brief glimpse into evolutionary robotics » a presentation in English by Kuba Orlowski,

The 24th of November, at 19:15
TRUSKEL Bar
(the meeting will be held in the underground part of the bar)
12 Rue Feydeau
Paris, France

See you at the meeting! :-)
